

Abeer Hospital

Muscat (Oman)

Abeer hospital is a multi-speciality hospital offering outpatient, inpatient, day-care and emergency care. Located at the heart of Ruwi (Muscat), Abeer hospital combines state-of-the-art technology with advanced facilities and has become synonymous with high-quality medical care.

Haelvoet provided the patient rooms of the Abeer Hospital with Olympia beds, Litavo reading tables and Quadra bedside tables. High-quality patient care is the key speciality of Abeer Hospital. Aesthetically appealing infrastructure & tranquillity ambiance enhance the healthcare experience in a patient friendly manner.

Scope of the project: 101 rooms

Date: Summer 2016
